DATE SHEET — B.TECH. MID-TERM EXAMINATION (AUTUMN 2026)

Standard Session Timings:

- Morning Session (10:15 AM – 11:45 AM): 1st Semester & 5th Semester
- Afternoon Session (12:00 Noon – 01:30 PM): 3rd Semester & 7th Semester

(1st, 3rd, 5th & 7th Semesters)

Date & Day	Sem	Electronics & Comm. (ECE)	Civil Engg. (CE)	Electrical Engg. (EE)	Mechanical Engg. (ME)	Computer Science (CSE)/AI
19-10-2026 Monday	1st	Universal Human Values	Universal Human Values	Universal Human Values	Universal Human Values	Universal Human Values
	3rd	Signals and Systems	Building Materials and Construction	Engineering Mathematics-III	Metal Cutting & Machining Processes	Database Management System
	5th	Communication System	Structural Analysis III	Power System-I	Fluid Machinery	—
	7th	DCOM	Structural Dynamics	Power System Protection & Switchgear	Heating Ventilation & Air Conditioning	—
27-10-2026 Tuesday	1st	Professional Communication	Biology For Engineers	Professional Communication	Biology For Engineers	Professional Communication
	3rd	Electronic Circuit Theory	Basic Surveying	Network Analysis	Dynamics of Rigid Bodies	Object Oriented Programming with Java
	5th	DSP	Civil Engineering Materials and Construction Techniques	Electrical Machines-II	Solid Mechanics-II	—
	7th	OFC / DIP / IML	Introduction to Project Management	Power System-III	Introduction to Project Management	—
02-11-2026 Monday	1st	Mathematics-I	Mathematics-I	Mathematics-I	Mathematics-I	Mathematics-I
	3rd	Digital Integrated Circuits	Partial Differential Equations and Integral Transforms	Electrical Machines-I	Material Science	Digital Systems Design

Date & Day	Sem	Electronics & Comm. (ECE)	Civil Engg. (CE)	Electrical Engg. (EE)	Mechanical Engg. (ME)	Computer Science (CSE)/AI
	5th	Microprocessors	Geotechnical Engineering	Microprocessors	Theory of Machines-II	—
	7th	Microwave Engineering	Environmental Impact Assessment and Audit	Open Elective-III (Energy Mgmt in Buildings)	Industrial Engineering-II	—
09-11-2026 Monday	1st	Engineering Graphics	Engineering Graphics	Engineering Graphics	Engineering Graphics	Engineering Graphics
	3rd	Data Structures	Fluid Mechanics	Analog Electronic Circuits	Computer Aided Drawing & Modelling	Signals and Systems
	5th	Control System	DOCS	Power Electronics	Complex Analysis	—
	7th	Computer Organisation & Architecture	Irrigation and Hydraulic Structures	Prof. Elective-III (Power Plant Engineering)	Design of Machine Elements-II	—
16-11-2026 Monday	1st	Physics	Engineering Chemistry	Physics	Engineering Chemistry	Physics
	3rd	Network Analysis	Strength Of Materials	Signals and Systems	Fluid Mechanics	Discrete Mathematics
	5th	ITC	Engineering Hydrology	Open Elective-I (Communication Systems)	Heat Transfer	—
	7th	Power Electronics	Waste Management Technology	Prof. Elective-IV (Special Electrical Machines)	Power Plant Engineering	—
23-11-2026 Monday	1st	Engineering Workshop	Engineering Workshop	Engineering Workshop	Engineering Workshop	Engineering Workshop
	3rd	Multivariable Calculus and Differential Equations	Computer-Aided Civil Engineering Drawing (CACED)	Intro to Matrix Programming (IMP)	Basic Engineering Thermodynamics	—
